DIETA LETNIA

1800kcal

by Agnieszka Płóciniak

A top-down view of a variety of fresh vegetables including basil, garlic, asparagus, carrots, zucchini, radishes, and cauliflower. The vegetables are arranged on a light-colored, textured surface. The asparagus is bundled in a small white mesh bag. The radishes are bright red with white roots. The cauliflower is white and textured. The zucchini are green and elongated. The carrots are orange and tapered. The basil is bright green and leafy. The garlic is purple and white. The overall composition is vibrant and fresh.
